

## A corpus of Andi field recordings

George Moroz<sup>1</sup>, Elena Sokur, Samira Verhees<sup>2</sup>, Aigul Zakirova<sup>2</sup>

<sup>1</sup> Linguistic Convergence Laboratory, NRU HSE; <sup>2</sup>Independent researcher

20 September 2022

name of the conference

Andic language

# Andic Language

Created with [lingtypology](#) (Moroz 2017)

Lab's corpora

# Typology

What do we need in order to create oral corpus of Andi?

Andic data

# Andic data

- number of hours
- number of annotated tokens

# Problems

# Conclusions

## Conclusions:

Moroz, G. (2017). *lingtypology: easy mapping for Linguistic Typology*.
