

A corpus of Andi field recordings

George Moroz¹, Elena Sokur, Samira Verhees², Aigul Zakirova²

¹ Linguistic Convergence Laboratory, NRU HSE; ²Independent researcher

20 September 2022

name of the conference

Andic language

Andic Language

Created with [lingtypology](#) (Moroz 2017)

Lab's corpora

Typology

What do we need in order to create oral corpus of Andi?

Andic data

Andic data

- number of hours
- number of annotated tokens

Problems

Conclusions

Conclusions:

Moroz, G. (2017). *lingtypology: easy mapping for Linguistic Typology*.
